

System Selection Guide

System	Description / Features / Benefits	Primary Restrictions	**Installed Cost	IPEMA	CFH	Thickness ranges	Primary application	LEED Contribution	Common Substrates	Optional Tops
 SPECTRA Pour Playground Safety Surfacing	Since 1986, our flagship PIP system 90% of projects use SpectraPour 24 colors - Uses EPDM rubber granules in top layer (1 - 4 mm size)	Install temps	\$8 - \$11 / s.f.	 Certified	4' - 12'	1.75" - 5"	All environments	 3-7 points	Concrete Asphalt or Type #2 road base	1 - 4 mm TPV (lowers LEED)
 Spectra Pour CA	CalRecycle "grant" PIP system also used for other applications 24 colors - Uses EPDM rubber granules in top layer (1 - 4 mm size)	Install temps	\$12 - \$16 / s.f.	 Certified	4' - 12'	1.75" - 6"	CalRecycle TDP grant program primarily	 3-7 points	Concrete Asphalt or Type #2 road base	1 - 4 mm TPV (lowers LEED)
 SPECTRA Pour SUPREME	Desert PIP System Uses smaller granule sizing Uses the new 0.5-1.5 mm TPV granules 4 (four) colors	Install temps Limited to 4 (four) TPV colors	\$14 - \$17 / s.f.	 Certified	4' - 12'	2" - 5"	Desert conditions NV, AZ primarily	 3-6 points	Concrete Asphalt or Type #2 road base	EPDM (more colors)
 SPECTRA Top	Comprised of SpectraPour "Top Only" recreational surfacing (no cushion) 24 colors - Uses EPDM rubber granules in top layer (1 - 4 mm size)	Install temps No CFH	\$4 - \$5 / s.f.	N/A (Non - Cushioned System)	N/A	1/2"	All environments	 3-7 points	Concrete or Asphalt	1 - 4 mm TPV (lowers LEED)
 SpectraPlay	Splash pad surfacing Aliphatic top & bottom 24 colors - Uses EPDM rubber granules in top layer (1 - 4 mm size)	Install temps Concrete cure 28 days min	\$9 - \$11 / s.f.	 Certified	4'	2"	All environments	 3-9 points	Fully Cured Concrete	None
 SPECTRA Bound	Playground safety surfacing tiles Standard pigmented tops Ultra High density tops options EPDM rubber granule tops options	Install temps (but much wider Install temps than PIP)	\$9 - 13 / s.f.	 Certified	6' - 10'	2.25" 2.5" 3.5" 3.75"	All environments	 3-8 points	Concrete or Asphalt	1 - 4 mm EPDM
 SpectraWalk	Rubber sidewalk System 24 colors - RubberGrit surface (1202 grey recommended)	Install temps	\$13 - 17 / s.f.	N/A (Non - Cushioned System)	N/A	4"	CalRecycle TDP grant program primarily	 3-5 points	Type #2 road base w/ Portland added	None

** The above prices are to be used as a reference guide, and not to determine actual project costs.

Costs may be higher or lower based on a variety of factors, including job size, thickness, color, patterns, wage rates (state prevailing, Davis Bacon or base), specialty resins, etc.

Rates may be used to determine "relative" pricing between systems. Very small maller projects may have additional mobilization or setup costs applied not reflective in above costs.

Actual prices will depend on actual job requirements.
